Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 17 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Early rain clearing to sunshine, further rain this evening.

Today:
A cloudy start with outbreaks of rain clearing east around dawn. Winds easing as it becomes largely dry and sunny. Outbreaks of rain will arrive from the southwest by the end of the afternoon. Feeling rather mild in sunny spells. Maximum temperature 11 deg C (52 deg F).

Tonight:
Cloudy with further outbreaks of rain through the evening. Rain may become rather persistent for a time before clearing to the north around midnight. Minimum temperature 5 deg C (41 deg F).

Thursday:
A band of rain will progress east through the morning, clearing early afternoon to bright spells and some sunshine. Generally mild by day but colder overnight, with patchy frost. Maximum temperature 10 deg C (50 deg F).

Outlook for Friday to Sunday:
Changeable and often windy with rain likely each day. Some bright or sunny interludes. Generally rather mild but with a chance of patchy overnight grass frosts.
